About

## Welcome to the alpha wave capitals

**alphawavecapitals.com is an American Venture capital firm that manages a Crypto Hedge fund that invests in Blockchain technology and early token sales. The fund started as a way to reinvent investment strategies for token sales. alphawavecapitals.com only invests in early token sales that pertain to an actual business, and not Initial coin offerings of tokens without interaction of a product or business.**

The company has been across the globe for its services which includes Real Estate, Agriculture, Oil and Gas with also Crypto Currency investments. Cryptocurrencies turned out to be one of the main inventions of the last decade, which had a huge impact on the world financial sector.

This company has been in existence since 2nd February 2019. And we have created a good financial freedom to all our investors.
